

INTEGRATING ICT INTO TEFL

The screenshot shows the main menu of the Multiple Choice Quiz Generator. On the left, there are three options: 'Create a new quiz' with a document icon, 'Load an existing quiz' with a floppy disk icon, and 'ContentGenerator.net' with a question mark and exclamation mark icon. On the right, the title 'MULTIPLE CHOICE QUIZ GENERATOR' is displayed in large, stylized red and white letters.

This dialog box is used for configuring a quiz. It contains two text input fields: 'Quiz title:' with the value 'Example' and 'Author(s):' with the value 'Luis E Sepúlveda S'. Below the fields are two buttons: 'Cancel' and 'Continue'.

This is the main question entry form. It includes a 'Question number:' dropdown menu set to '1'. The 'Question:' field contains 'Who wrote Great Expectations?'. The 'Author(s):' field contains 'Luis E Sepúlveda S'. The 'Correct answer:' field contains 'Charles Dickens'. The 'Incorrect answer(s):' field contains 'Thomas Hardy' and 'William Shakespeare'. There are two tips: 'TIP: Press the TAB key to move between boxes.' and 'TIP: You only have to include one incorrect answer.'. At the bottom, there is a toolbar with icons for navigation (left and right arrows), a trash can, a document, a red X, a floppy disk with an up arrow, a floppy disk with a down arrow, and a question mark.
